

CONFIDENTIAL

MEMORANDUM

TO: Chiefs of Field Bureaus

17 September 1948

FROM: Chief, FBIB

SUBJECT: Coverage of Industrial Information

1. In connection with increased requirements of intelligence agencies for economic and industrial information, it is desired that particular attention be given to foreign broadcast items bearing on the names and locations of factories, plants and industrial installations, on their capacities, products and employees and upon urban area data generally within the USSR and her satellites.

2. All such items are to be prepared in text form and transmitted as broadcast copy by routine wire to Washington.

3. This directive supersedes the watch-list of geographic names transmitted by memoranda dated 16, 23 and 24 April 1948, of which special handling is no longer desired.
